SURVEYING AND MAPPING
Volume XXVIII

THIS index includes all principal articles and all news items, shorts, etc., having reference value, that were published in Volume XXVIII (1968) of SURVEYING AND MAPPING. The principal articles are indexed by subject and author; other items by subject only. For the convenience of persons referring to unbound numbers of the Journal, the number of the issue has been included in order to avoid the necessity of referring to the following table. The issues published in 1968 are as follows:

March	(pages 1–186 + index)	No. 1
June	(pages 187–378)	No. 2
September	(pages 379–578)	No. 3
December	(pages 579–778)	No. 4
